RULES OF ELIGIBILITY FOR HORSES RACING AT THE 2026-27 TURF PARADISE MEET

ALL QUARTER HORSE RACES WILL BE OPEN TO REGISTERED PAINTS AND APPALOOSAS.

All horses must have prior approval by the Racing Secretary to qualify to participate in the race program.

The Racing Secretary reserves the right to exclude any horse or horseman from participating in the program at Turf Paradise for reasons listed below, but not limited to, qualification, participation in the program, poor performance or any conduct not considered beneficial to the overall racing program.

In agreement with the AQRA, all Quarter Horse stakes races will be hair tested. Any positive test will result in loss of purse money earned.

Past performances by the Daily Racing Form, Equibase, Program Data, TruForm or any other recognized publication and/or wins carried on foal certificates will be considered in determining eligibility and allowances.

SHIPPING REQUIREMENTS: (1) Current health certificate indicating vaccination for EHV-1 within 5 days of shipping; (2) Current negative coggins (within a year). All current vaccinations are recommended. Contact the Race Office for up-to-date information.

COGGINS: A CURRENT NEGATIVE COGGINS MUST BE ON FILE IN THE RACE OFFICE FOR ALL HORSES RACING AT TURF PARADISE.

TRPB® DIGITAL TATTOO™ - Turf Paradise

Sign up for tattooing in the Turf Paradise Race Office by listing the horse's name, barn number, trainer name and cell phone number. A Digital Tattoo™ is required for any horse making its first lifetime start at Turf Paradise.

Effective January 1, 2024, the Digital Tattoo™ fee is \$106 which **MUST** be in your account at Turf Paradise prior to the TRPB® Technician performing the work. Any questions about the certification process can be directed to TRPB® Horse ID at 410-398-2261 Ext. 600 or tattoo@trpb.com

JOCKEYS: All horses entered must have a rider engaged at the time of entry.

SPLIT CLAIMING RULES: All Arizona bred horses entered in claiming races will automatically be entered for the higher claiming price (for Arizona Breds), unless otherwise declared when entered. Arizona Breds may run for the lower claiming price only if declared at entry time.

TWO-YEAR-OLDS IN THE SPRING: Foals of 2025 are not allowed to stable on the grounds until February 1, 2027.

NON-PARTICIPATION: The Association will reduce the allotment of stalls to any trainer not meeting minimum participation levels.

Anyone licensed by the Arizona Department of Gaming, Racing Division (ADOR) based at Turf Paradise who sells a horse for slaughter that was previously stabled at Turf Paradise will have his/her stalls revoked, be immediately removed from the grounds and will be denied future stall applications. In addition, the track Stewards may take further action.

SCRATCHES

No horse entered in an overnight event will be excused from racing unless upon the **Official or State** Veterinarian's certificate of unfitness, or for other cause acceptable to the Stewards. Trainers are encouraged to submit veterinarian scratches to the Race Office by 9:00 a.m. Horses in stakes or handicaps (including trials) must scratch no later than one hour prior to post time of the race.

Scratches dropped for horses because of "track condition" are not automatically out. Stewards shall have the final decision and horsemen are advised to contact the Stewards regarding such scratches.

PROCEDURE FOR SCRATCHING HORSES NOT STABLED ON THE GROUNDS:

Verification in writing from a veterinarian that he/she has treated or attended to the horse will be required before the horse will be scratched. The horse will automatically go on the track vet list. To be taken off the vet's list, the horse must be re-examined by the attending vet with written recommendation to the track vet of when the horse will be able to race. The track vet may have additional requirements prior to removal from the vet's list. The horse will remain on the list pending completion of these requirements. Failure to comply may result in a penalty by the Stewards.

QUARTER HORSE TRIALS

If only eleven (11) or twelve (12) horses enter to run in time trials, Turf Paradise can elect to run the final only. If eleven (11) or twelve (12) horses participate in the final, only the first ten (10) will receive purse money.

For 870 yard races, if only nine (9) enter to run in time trials, Turf Paradise can elect to run the final only. If nine (9) horses participate in the final, only the first eight (8) will receive purse money.

WORKOUTS

No horse will be permitted to start that has not raced within forty-five (45) days until one satisfactory workout of at least 3 furlongs has been recorded.

A **first time starter** will not be allowed to race until the horse has gate approval and at least two timed workouts, one of which is out of the gate and within 60 days before the race in which the horse is entered.

A horse, other than a first time starter, that has not started for one year or more, will not be allowed to race until it completes at least two timed workouts within 60 days before the race in which the horse is entered AND one of the timed workouts is performed in the presence of the track veterinarian at a distance determined by the track veterinarian.

Quarter Horses entered in any race around the turn (i.e. 870, 1000 yard races) for the first time, are required to show a timed workout around the turn.

PROCEDURE FOR REPORTING WORKOUTS: ALL horses entering the track to work must be reported to the gap attendant at the **3/4 gap**. Those who fail to do so will be referred to the Stewards for disciplinary action. **NO HORSE SHALL WORK WITHOUT PROPER NOTIFICATION.**

Workouts on the Training Track will be conducted at specially announced times **ONLY** when the Main Track is closed.

TURF COURSE REGULATIONS

Permission to work horses on the turf course must be secured from the Racing Secretary. Only horses nominated to turf stakes races will be considered. Turf Paradise reserves the right to position the inside rail at any setting for any races, including stakes races.

Should the situation arise where in the judgment of the Association a race or races must be moved from the turf course to the main track, the Association reserves the right to card such races at the same or in some cases similar distances.

TURF COURSE SCRATCH POLICY

Scratch Time in all cases will be 8:30 a.m. the morning of the turf race. If a trainer wishes to scratch a horse from the body of a turf race that is carded with an "Also Eligible" list, the horse will not be permitted to be excused from racing unless upon the receipt of the Veterinarian's certificate of unfitness, or for other cause acceptable to the Stewards. If a horse is on the "Also Eligible" list and wishes to re-enter in another race on another day, a scratch card must be submitted to the Racing Office. If a trainer with a horse in the body of a turf race that is carded with an "Also Eligible" list and wishes to scratch, Turf Paradise Management asks that they do so at their earliest convenience as to allow the Racing Office sufficient time to contact Horsemen with a horse on the "Also Eligible" list that would like the opportunity to draw in and run.

HAULING OF HORSES

A hauling certificate (brand card) is no longer needed if the Thoroughbred or Quarter Horse being transported "will be used solely for horse racing or horse race breeding purposes." Instead, the original or a copy of the certificate of registration from the Jockey Club or the American Quarter Horse Association will suffice.

Upon sale or transfer of the horse, the seller must either transfer the certificate of registration or complete an equine transfer request form issued by the Arizona Department of Agriculture and give the form and a notarized bill of sale to the buyer.

RACE DAY HAUL-INS: Horses entered to race at Turf Paradise must be on the grounds on or before 8:00 a.m. the day of the race.

WORKERS COMPENSATION

Arizona law requires all employers to carry Workers Compensation insurance covering all employees. This includes all individuals employed by owners and trainers in the training and racing of horses. All concessionaires shall carry Workers Compensation insurance covering all employees.

PROOF OF WORKERS' COMPENSATION COMPLIANCE: An applicant that hires employees to work at an Arizona racetrack shall provide proof of compliance with A.R.S. §23.961 (A) by providing to the Department a copy of the declaration page of the applicant's workers' compensation insurance policy. Failure to comply with the provisions of these rules will result in referral to the Board of Stewards for hearing and possible disciplinary action. In addition, the Department will notify the Industrial Commission of Arizona of your noncompliance.

RULES OF RACING

At the discretion of the Stewards, and without notice, the entries of any person, or acceptance of transfer of any entries, may be refused.

A registration certificate of the Jockey Club of America for all horses shall be filed in the Racing Secretary's office at all meetings, and in the event of transfer of any such horse, the name shall be entered in space provided on back of Certificate which shall be held for the new owner.

Absolute and bona fide ownership of every horse including interest and ownership shall be stated under penalty of disqualification.

Determination of the true sex of a claimed horse shall be the sole responsibility of the claimant, and mistakes in that regard printed in the official program or elsewhere shall not be considered basis for invalidating the claim.

Turf Paradise is not responsible for the stabling of claimed horses at the meet.

No horse shall be permitted to enter in more than one race in one day, Sweepstakes included.

A trainer may enter no more than three horses in an overnight race (unless the race is divided.) However, if the race overfills, a trainer's third entry will be least preferred.

The rules of racing adopted by the Arizona Racing Commission, in effect at the actual time of the running of the race, govern all races run over the course.

The Association may desire to televise certain races. It reserves the right to televise and all entries will only be accepted on the condition if demanded by the Association, the owner, jockey, trainer, groom and all other persons possibly coming within the view of the television picture sign a formal release permitting such television and the exhibiting thereof.

All mares presumed in foal must be reported when entered each time and displayed in the Program. The stud fee is then assumed by the owner of the dam at the time of foaling, unless previous arrangements have been made.

TRACK RULES

All horses must have prior approval by the Racing Secretary to participate in the race program. Any change of ownership must be re-qualified by the Racing Secretary.

All horsemen must submit a signed and dated application to participate in racing at Turf Paradise. Management reserves the right to modify or omit the requirements for stall eligibility.

Owners and trainers, when entering horses in races, are cautioned to check carefully as to the eligibility of horses in their care and allowance claimed in races. Under the universal rules of racing, an owner or trainer is responsible for the eligibility and the weight his horse carries. The Racing Secretary will be glad to give the horseman any information in respect to their horses that is desired, but the final responsibility rests with the owners and trainers.

At time of entry, "same owner" and "different owner" entries must be identified.

In the event that a Stakes race or Handicap (overnight stakes and handicaps excluded) is cancelled on the original date scheduled, the race will be redrawn on a date to be announced with the same original nomination list.

In a race entered for a claiming price ---, not considered applies to eligibility and allowances unless specified.

TRACK RULES (continued)

Horses penalized in a race shall not be entitled to any of the allowances in such race. Horses not entitled to the first allowance in a race are not entitled to the second and if not the second, then to no subsequent allowance unless specified elsewhere in the conditions of the race.

All trainers entering a horse in any given race shall, at the time of making such an entry, name the jockey for said horse.

In the event riders are not named for all carded horses by the closing of entries, the Stewards shall name riders for all horses with riders unnamed at that time.

A jockey engaged to ride any horse is bound to fulfill his engagement unless excused by the Stewards. Should a rider become injured or ill on the way to the post or at the gate, and the Stewards designate a substitute rider, such a rider will fulfill the order of the Stewards and complete the engagement of the horse.

An apprentice rider may not accept a mount on two year olds or first time starters until he/she has ridden five (5) or more winners, or has the approval of the Stewards.

Heel nerved horses will not be permitted to run, train or stable at Turf Paradise.

The management reserves the right to start any race without the use of the starting gate, with permission of the Stewards.

The use of syringes of any kind, except large dose syringes for flushing the mouth, will not be permitted in the paddock

EQUIPMENT CHANGES

All trainers who request a change of blinkers must first secure a card from the Starter certifying that their horse has broken from the gate with blinkers. This does not necessarily mean that the change of blinkers will be allowed. The Paddock Judge will be the final authority as to whether or not the change of blinkers will be allowed. Blinker and whip changes are recorded on the overnight.

Trainers with horses racing in flipping halters must declare this at time of entry. Any change requires approval of the Starter prior to re-entry.

Permission to change equipment must be secured at the time of entry. In all cases, trainers or their authorized agent must declare a change of equipment (i.e. blinkers, screens, etc.) when entering a horse, even when a horse is making its first start at Turf Paradise.

Horses cannot wear blinkers to the paddock without prior approval of the Identifier.

All horses will carry their equipment to the post.

TRANSFERS (BILLS OF SALE)

After a horse has been registered with the Racing Office, ownership will not be transferred (unless claimed during a meeting) without a valid bill of sale. Transfer of trainer will not be allowed without the consent of the current trainer. Bills of sale and/or trainer transfers require approval by the Stewards

QUARTER HORSE OWNER TRANSFERS

The Racing Office mails Quarter Horse ownership transfers to the AQHA as a courtesy to owners and trainers and is not responsible for papers lost in the mail. It is the owner's and/or trainer's responsibility to complete the transfer forms accurately, pay the appropriate fee, and follow-up with the AQHA if the transfer is not completed in a timely manner.

PROCEDURE FOR ALL "CLAIMING SERIES"

- 1) 1st leg is considered a claiming race for eligibility and scratch requirements.
- 2) After the 1st leg, the series is considered a paid race.
- 3) Bug weight may be claimed in the 1st leg only.
- 4) All Claiming Series races without a claiming price are considered "Starter Allowance" races.

CLAIMING RULES

In claiming races, any horse is subject to claim for its entered price by any licensed owner of a properly registered horse fulfilling eligibility requirements for participation in the meeting; the owners authorized agent; the holder of a temporary claiming license; or the holder of a claiming authorization issued by the Stewards. If a person intends to obtain his or her first horse through claiming, an owner's license application shall be submitted to the Arizona Department of Gaming – Racing Division.

"Cleared" funds only may be used for claims, i.e. cleared purse money, cash or certified funds (money order, wire transfer). In the event a personal check is used, 14 business days must be allowed for the check to clear the bank.

A claimed horse may not race outside Arizona for a period of sixty (60) days from the day of the claim (the day following the claim is the first day), or the end of the meet, except to fulfill a stakes engagement that transferred automatically to the claimant, or when the horse is entered and starts for a claiming price which would cause the horse to become ineligible to be re-entered at the track where claimed.

The purchase, claim or transfer of any horse stabled on the grounds, whether by private sale, public sale or public auction, does not guarantee the new owner a stall for such horse.

Licensed owner(s) whose last horse has been lost by claim, death, or career ending injury during the meeting must apply to the Stewards for a claiming authorization slip prior to claiming.

Claim blanks shall be filled out with information from the official program only.

PREFERENCE DATE SYSTEM

1. In all cases, horses with foal papers registered in the racing office will be preferred over horses without foal papers on file other than stakes or handicaps.
2. Preference dates will not supersede conditions of a race.
3. Winners are preferred except where the conditions state to the contrary.
4. Horses will not be eligible to receive a date until their papers are on file in the Racing Office.
5. All horses registered prior to 5:00 p.m. on the 1st racing day will receive an opening day date, which is the lowest possible date. Preference dates will be retained until a horse runs or scratches (see rule 14).
6. All horses registered after the 1st racing day will receive an E date of the day registered (see rule 14).
7. When dates are the same, an entry date takes preference over a running date.
8. Horses that run will receive a running date corresponding to the date they race and lose all dates previously held (see rule 14).
9. Horses that scratch or are scratched will keep their R date for the day they scratch, unless placed on a list.
10. All horses placed on the Stewards, Veterinarian or Starter list will be posted in the Race Office. Horses placed on a list will not be permitted to enter until approved to start. A horse placed on a list will keep its current date if it ran in the particular race in which it made the list. Horses that are scratched and placed on a list will be given an E date for the day the horse comes off the list (see rule 14). All horses scratched off of the Program will be under consideration for one of these lists.
11. Horses that have established a date at the current meeting will lose that preference date should the horse's papers be withdrawn from the Racing Office or demonstrate intent to race elsewhere. Should a horse's papers be withdrawn from the Racing Office for just cause, (i.e. tattoo, corrections, etc.) the Racing Secretary may determine the status of the preference date established.
12. Preference dates are good at any distance.
13. In no way does the claiming, ownership transfer or trainer transfer of a horse affect the preference date.
14. In rules 5, 6 and 10 above, if a horse is registered or comes off a list on a non-race day, the next racing day date will be used. Any horse running in a stakes or trial will retain previously held preference date.
 - A. When a horse's name appears in a race other than a Sweepstakes and is entered for the following day, such entry will be given no consideration should the race in which it is entered be overfilled.
 - B. A claim of preference dates must be made at time of entry. The Stewards will consider no claims that do not comply with the above regulations.
 - C. TRAINERS ARE RESPONSIBLE FOR DATE.
 - D. In any matter of discretion, the Stewards' ruling is final.
15. In the event a race in the Condition Book is divided, such race will be considered as one race and a same owner second choice has no preference over a single interest, except for an in-today horse.

SAME OWNER/TRAINER ENTRY POLICY (OVERNIGHT RACES)

In overnight races with seven horses or less, trainers may enter two horses in the same race. In races with eight horses or more, trainers may enter up to three horses in the same race. If the race overfills, however, the trainer's 3rd choice will be given least preference. Same trainer entries with different owners are given preference over same owner entries.

SUPER DATE POLICY

Horses will receive a (*) Super Date consisting of the actual date when a cancellation occurs. If a horse is then entered back for another card that is canceled, he or she will retain its original Super Date, and therefore be preferred over a horse with a later Super Date.

TURF COURSE RACING

In the event that races are taken off the turf and moved to the main track, the preference date of the horses that scratch due to the surface change will revert back to that horse's previous preference date.

HORSERACING INTEGRITY AND SAFETY AUTHORITY

(g) Notwithstanding Rule 3060(a) and 3070(c), and subject to Rule 2262(h), if a post-race sample collected from a claimed Covered Horse results in an Adverse Analytical Finding, the claimant shall be promptly notified by the Agency or the Authority and the claimant shall have the option to void the claim. The claimant shall have 48 hours from notification to void the claim by submitting in writing to the Stewards the claimant's decision to void the claim, if the claimant chooses to void the claim.
